information about the test-saddles

You have the possibility to test our saddles for **10 days**.

For this service we are charging 75,00 € per saddle, which will be imputed when you decide to buy the saddle.

Please use a saddle pad and fix the stirrup leathers under the flap. Of course we would be pleased if the saddle fits your needs. In this case please give us a short information, so that we can send you the saddlepass and the proof of purchase.

If it is not the case please send us the saddle stamped within the stipulated period back to us.

We would be pleased to advise you regarding to our other TOP REITER saddles.

Please use the test-saddles with care.
